**RCTV** - Check your account, learn how to play blackjack, and get helpful tips for planning out your week. You can also avoid the lines and make all your reservations for dinner, shows and shore excursions... right from your stateroom.

**Show Reservations Required** - See the shows you want to see, when you want to see them. With such an exciting array of entertainment options, you'll want to plan your show schedule ahead of time to ensure seating. Make your reservations now using RCTV-our complimentary service-right from your stateroom or at the Box Office.

**Medical Facility** - Every Royal Caribbean ship has a medical facility with at least one licensed physician and two nurses in attendance. (The one on Deck 2 midship is open every day from 8:00 am to 11:00 am and 4:00 pm to 7:00 pm.) Guests are charged for services, and limited medications are available for a fee.

**HELPFUL HEALTH INFORMATION** - Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a consultation and treatment if necessary.
