HELPFUL HEALTH INFORMATION – Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a consultation and treatment if necessary.

Headliner Showtime starring Beatles Celebration

From the Cavern to the Rooftops is undoubtedly the most genuine live recapturing of the music of The Beatles. From "Some Other Guy" in the depths of the Cavern Club to "Let it Be" and the roof top performance, this live extravaganza takes the audience through some of the most exciting, hand-clapping, jewellery-jangling Beatles songs while remembering to take time to pull on the audiences emotions with such classics as "The Long and Winding Road" and "Yesterday". Not only do the band stand up to the high standards the Beatles set themselves on stage using all the original instruments, the audience are completely won over and are transported to their own live Beatles show. The performance is made even more authentic with a number of costume changes to reflect the period of the songs. The original grey cavern suits open the show, then the journey takes you through with changes into "With the Beatles", "Hard days Night" and "Help"; the Pepper uniforms are so real and the final call with the Abbey Road crossing outfits really tops it all off. But what's really authentic, they really are all the way from Liverpool!!! 8:45 pm & 10:45 pm, Amber Theater, Decks 4, 5.
