## MEET YOUR TEEN STAFF!

### Paula

Paula is from Barcelona. One day she decided to come visit the biggest ship that had recently stopped by her home town and decided to stay and live on it! She has a degree in Foosball and a Masters in Mario Kart. She survives on a diet of sugar and ice cream, and has so much sugar coursing through her system that, just like a humming bird, she never stops moving and never sleeps.

### "Cool Beans" Tyler

Tyler is a Dallas, Texas native & Baylor University graduate who now calls the Allure of the Seas his home. When he's not playing soccer on the sports court & dancing it up at the parties in Fuel, you can always find him listening to your riddles and funny jokes in The Living Room! He wishes everyone a safe & happy vacation and hopes to see y'all around the ship!

### Andrea

Andrea comes all the way from the warmth and beautiful country of Brazil, which is known for famous soccer players, good music, fun people & also for the unique Carnival Party. Andrea loves to travel, listen to music & learn about many different cultures from around the world. Her favorite teen activities are Teen Flowrider, Teen Insanity & of course the late night parties! She is looking forward to meeting you & rocking this "Little Boat!"

### Faye

From England, Faye is one of the best ukelele players in the country. She is good friends with the Royal family and regularly plays at their family BBQ's, taking requests from The Queen herself. If you would like to hear her play, come join her in The Living Room on deck 15 aft, where you will find her with her ukelele along with many other instruments.
